## **Davenport Group Recognized on CRN's 2023 Solution Provider 500 List**

**Lewisburg, TN – June 6, 2023** – Davenport Group, an end-to-end IT solutions and services provider, today is pleased to announce that CRN®, a brand of The Channel Company, has named Davenport Group to its 2023 Solution Provider 500 list. Davenport Group placed #284 on the list.

CRN's annual Solution Provider 500 ranks North America's largest solution providers by revenue and serves as the gold standard for recognizing some of the channel's most successful companies. This year's list of companies represents combined revenue of more than \$475.9 billion, and the honorees are among the top influencers impacting today's IT industry and the global technology supply chain.

Davenport Group designs, installs, and services powerful Dell Technologies solutions for customers nationwide. Their team of certified, experienced engineers creates custom-built IT ecosystems that help organizations in every industry reach their goals. As a Dell Technologies Titanium Partner, the Davenport Group team utilizes its in-depth product knowledge and industry relationships to serve customers and bring about true IT transformation. With many long-term customers, Davenport Group achieves year-over-year growth by putting customers first today and every day.

"Our team works tirelessly to design and implement the technology solutions our customers need to grow their businesses and serve their own customers," says Sonia St. Charles, Davenport Group CEO, and Co-Founder. "This award recognizes our team's hard work and dedication to their craft. With our partners at Dell Technologies, we consistently deliver future-ready technology that creates opportunities for our customers. Our success comes directly from their success, and we're honored to be a part of it."

"It's a distinct honor to recognize CRN's 2023 Solution Provider 500. These are today's top technology integrators, strategic service providers, and IT consulting firms, making this list the go-to resource for creating strategic partnerships among technology vendors and today's top-performing IT solution providers," said Blaine Raddon, CEO of The Channel Company. "My heartfelt congratulations go out to each of these companies for the significant impact they make on the continued growth and success of the IT channel."

CRN's 2023 Solution Provider 500 list will be available online at [www.CRN.com/SP500](http://www.CRN.com/SP500), and a sampling of the list will be featured in the June issue of CRN Magazine.
